## VERIS

- **Accelabar** Flow Meter
- **Verabar** Averaging Pitot Tube Flow Sensors
- **Transmount / Mass Transmount** High accuracy Volumetric and Mass Flow Meters for liquids, gas & steam

## FAIRCHILD INDUSTRIAL PRODUCTS COMPANY

- Electro-Pneumatic Transducers
- Pressure Regulators
- Pressure Transmitters
- Volume Boosters
- Pneumatic Relays

## Honeywell Enraf

- Additive Injection Systems
- Blending Systems
- Tank Gauging
- Tank Inventory Management
- Network & Interfacing
- Temperature Systems

## RONAN

- Nuclear Density, Level, Weigh Scale & Mass Flow Monitoring
- Annunciators / Events Recording Systems
- Temperature and Process Monitors
- Signal Transmitters and Alarm Trips
- I/P, P/I Signal Converters
- Portable Instrumentation Calibrators
- RTD's, Thermocouples, Temperature Transmitters
- Intrinsically safe barriers

## CAMERON Measurement Systems

- Field Instruments for Pressure, Differential Pressure, Level and Temperature
- D.P. Indicators, Switches, Recorders
- Turbine Flow Meters
- Orifice and Cone Flow Sensors
- Liquid Ultrasonic Flow Meters
- Safety Relief Valves

## Magnetrol®

- *Level:* Guided Wave and Pulse Burst Through-Air Radar, RF Capacitance, Ultrasound, Magnetostrictive, Vibrating Rod, Magnetic Level Indicator, Mechanical Float, Displacer Types
- *Flow Switches:* Thermal Dispersion and Mechanical Type
- *Thermal Mass Flow* of air and gases

## RHEONIK Messgeräte GmbH

- Coriolis Mass Flow Meters
- 1/4" to 12" size meters, 0.5 g/m to 25,000 kg/m
- Hastelloy, Tantalum, Monel, Inconel wetted materials available

## racine

- Ultrasonic Vortex Shedding Flow Meter

## SeaMetrics

- Electromagnetic, Turbine and Paddlewheel Flow Meters

## eastech FLOWCONTROLS

- Transit-Time Ultrasonic Flow Meters for 1" to 120" pipes
- Open Channel Flow and Level Transmitters
- Parshall and Manhole Flumes

## BROOKS INSTRUMENT

- Rotameters
- Thermal and Coriolis Mass Flow Meters / Controllers
- Oval Gear Positive Displacement Meters

## ISI Innovative Sensors, Inc.

- pH/ORP, Conductivity, D.O., Chlorine, Chlorine Dioxide, Turbidity, Suspended Solids

## Broadley-James™

- ATI **Dynaprobe** Solid State pH/ORP Sensors, Controllers
- pH, ORP and D.O. Sensors for Industrial Applications

## SENSYCON/VDO • I/P, P/I Signal Converters

## Honeywell

### JORDAN VALVE

Sliding Gate Pressure Regulators, Temperature Regulators & Control Valves, Low Flow

### HEX VALVE

Two, Three & Five Valve Manifolds, Instrument / Needle Valves, Block & Bleed Valves

### MARWIN VALVE

Standard High Performance two and three piece Ball Valves, Three Way Ball Valves, Pneumatic or Electric Actuators

### BESTOBELL STEAM

Steam Traps, Steam System Auxiliaries

## PRECISION DIGITAL

- Digital Meters & Controllers for Flow, Level, Pressure and Temperature

- *TrendView* Video Recorders & Data Acquisition software products
- *HC900 Multiloop Controllers* for hybrid control solutions, HMI software for Plant and SCADA needs
- *DirectLine* Smart Sensors and Analytical Instruments for pH, Conductivity, and DO
- *SmartLine* Field Instruments for pressure, temperature, flow & level
- *VersaFlow* Electromagnetic, Vortex and Coriolis Mass Flow Meters
- *XYR 5000™* and *XYR 6000 Wireless Transmitters* for pressure, temperature, flow, acoustic and level
- *HercuLine* Smart Electric Actuators
- Universal Digital Controllers, Programmers & Indicators
- Circular Chart and Strip Chart Recorders
- *SmartCET* Corrosion Monitoring
- *PC Based Software Tools* including Pocket PC PDA applications for configuration and monitoring
